About Juno Internet Service Provider of SpeedBand, Platinum and Free Internet Service

Juno is a nationwide ISP offering consumers a choice of 3 low price dial up Internet access options to meet their budget and personal Internet access needs.

Juno Platinum Internet service offers a value-priced high-quality Internet connection for -- less than half the price of other Internet Services Providers such as AOL, EarthLink and MSN**, only \$9.95 per month*. This easy-to-use service will download in as little as 2 minutes and provides the best of what the Internet has to offer, including POP and web-based e-mail, direct access to anywhere you want to go on the World Wide Web, reliable Internet connections, compatibility with popular instant messaging programs offered on AOL, Earth Link, MSN and Yahoo, and features such as easy access to search engines, news and sports headlines, shopping, and financial services with no banner ads. This Internet service is also available to Mac users.

Juno SpeedBand Internet is a next generation dial-up Internet access service delivering up to five times faster Web surfing†† now with Pop-up Blocker. The NetZero High Speed Internet service works from any phone jack using a standard dialup connection, does not require any new hardware and can be downloaded in five minutes at www.juno.com. The price for this service is only \$14.95 per month*, and includes the standard Juno Platinum Internet service including compatibility with instant messaging at no additional charge.

For the occasional Internet user, Juno also offers an **ad-supported Free ISP** which gives consumers **free internet access** to anywhere on the Internet, for up to 10 hours each month, both **webmail** and **POP free e-mail**, a **reliable Internet connection**, compatibility with many popular **instant messaging** programs offered by **AOL, EarthLink, MSN and Yahoo****, and easy access to search engines, news and sports headlines, shopping, financial services and more. **Download Juno free internet service** in only 2 minutes at **www.juno.com**.

Click here to compare the savings you will enjoy by using **Juno Platinum service** as your **Internet Provider** over the standard plans offered by other **ISPs** such as **AOL, EarthLink, MSN and Yahoo****.

Juno can be accessed at both **Juno.com** and **Juno.net** and is available in more than 6,500 cities across the United States and in Canada.

Juno is a proud supporter of Ronald McDonald House Charities® (RMHC). For more information about how you can help RMHC, please **click here**.

† The 10-hour per month limit is per household and we assume that each household has only one computer and one phone line. If you are sharing a computer or phone line with other Juno users, your hourly usage will be aggregated with those users - even if you have separate Member IDs.

** References to AOL® pricing and savings amounts based on standard monthly rates as of 04/01/03. Prices shown are in US dollars.

JUNO IS A UNITED ONLINE COMPANY

*Please note that, depending on the numbers you choose, your location, and your calling plan, you may incur long distance or toll charges in excess of the charges on your telephone bill. For a list of access numbers and their locations, click here. For more information about v.92, click here. To find out if you incur any charges, and if so, the amounts of such charges, please contact your local telephone company. You will be responsible for all such charges. Technical support available for a fee of \$1.95/min. (or in certain areas, \$14.95/call). Juno reserves the right to impose additional hourly usage limits. Service for details.
